"What You Should Know About Your City"

"The helpful kind of patriotism is the kind that grows out of a knowledge of one's town, of her growth, her people, her property, her government and her needs. This knowledge develops, first, an intelligent interest; then, a sympathy; then, a reasonable affection, a wise and temperate jealousy for her good name and a wish that she may prosper and grow more beautiful; and, finally, a desire to help her to become greater and finer, a bright and clean workshop and a home for the best of men and women."-John Cotton Dana,

Bloomfield Chamber of Commerce

Organized to promote the Commercial, Industrial and Residential development of Bloomfield.

Bloomfield where real folks live and prosper, is an ideal location for home or business and has the lowest tax rate in the Metropolitan Area. For reliable information about Bloomfield's opportunities consult the CHAMBER OF COMMERCE.
